Hosted by Steven Gosling AFNI, Head of Information & Publications, The Nautical Institute

Join us for the launch of the second and final volume in our highly anticipated series on Bridge Resource Management (BRM). We invite you to share a glass of something refreshing with fellow guests as we unveil BRM Volume 2: Voyage planning - an essential new resource that will be as valuable on the bridge as it is in offices, training centres and libraries ashore. Celebrate this new signature title with the publishing team who very much welcome your company in this beautiful, historic maritime building.

Introducing:

- **Walter Vervloesem FNI**, President of The Nautical Institute
- **Captain Nadeem Anwar FNI**, Lead Author
- **Professor Captain Zakirul Bhuiyan FNI**, Co-author
