Thank you for your interest in becoming a Vice President of The Nautical Institute. For the guidance of the Nominations Committee, please give a personal statement based on the following criteria.

1. Is an elected Fellow of The Nautical Institute.
2. Has held a senior position within the wider Marine Industry.
3. Can show evidence of having served within the Institute on either the Executive Board, Council and/or Committees (NIHQ or Branch) and therefore can demonstrate that they have a broad understanding of how the NI functions.
4. Can show evidence of taking on a high profile role within the Institute e.g. Public speaking and/or having presented at conferences.
5. If required, is able and willing to become a future President of The Nautical Institute and to take on such a commitment.
6. Be prepared as a VP to support and at times stand in for the President. It should be noted that a VP's role is a task as well as an honour and is a working role in the smooth running of the Institute.
7. Membership of other professional organisations associated with the wider Marine Industry is highly desirable.
8. Can show evidence or examples of their contributions to the wider Marine Industry, over and above their employment history.
