

The Nautical Institute Global Dynamic Positioning and Offshore Energy Event

18 – 19 October 2022

Lead America Business, Avenidas das Americas, 2480– Barra da Tijuca, Rio de Janeiro– RJ – Brazil–
22640–101

It is a pleasure to welcome our approved Dynamic Positioning (DP) training centres to the global regional training provider event in Rio de Janeiro, Brazil, on 18th and 19th October 2022.

The Global Regional Training Provider conference will review The Nautical Institute Certification and Accreditation Standards, Technical developments in the energy sector, Training and Innovation and good practice, Future Skills and Professional Development and

Dynamic Positioning –Regulation and Inspections. Industry experts will share their views and experiences in the sector, providing the latest information to assist you in your DP Training. This two–day event provides value through the educational and technical content of the programme.

In 2022 The Nautical Institute celebrates its 50th anniversary. We will mark this milestone by hosting a series of international events looking ahead to the next 50 years.

The theme for the 50th anniversary events is Maritime Leadership in a Changing World. We recognise that high quality leadership and excellent change management is essential in a time of accelerated development.

Join us in shaping the next 50 years by exploring how we can work together, sharing ideas and best practice to enable better leadership through professional development.
