

Supporting maritime professionals worldwide

FREE ONLINE COURSES

Your membership gives you access to free online courses provided by OneOcean, a leading organisation in maritime education and training. Members are eligible to take one free OneOcean course every 12 months.

Topics include:

- LNG bunkering
- Safety officer
- Environmental officer
- Risk assessment at sea
- Survey and examination of lifting appliances

OneOcean courses enable seafarers to broaden their knowledge and develop their understanding of a variety of subjects from the comfort of their ship or home.

Catherine Logie, Head of Learning and People Strategy, OneOcean

The Nautical Institute is an international membership organisation for maritime professionals working at sea and ashore and a leading authority in the maritime industry.

We support our members at every stage of their career, from student to senior leadership ashore and at sea.

A WORLD OF OPPORTUNITIES

Our aim is to inspire the leaders of the future; enable better decision-making by working together; sharing ideas and best practice; and to provide a safer, environmentally sound and sustainable maritime industry.

Professional recognition

Members of The Nautical Institute are respected worldwide. Displaying your post-nominals on your CV, business card and LinkedIn profile signals your professional standing and commitment to high standards.

Lifelong learning

Your membership gives you access to a wide range of specialised courses, from self-study schemes to short interactive online courses and webinars, delivered by highly respected maritime professionals.

Chart your GPD

Our continuing professional development online programme provides a structured and practical way to record and plan your professional development, helping you map your progress.

Career support

Get access to career support with a free one-to-one review of your CV and LinkedIn profile. Your career coach can also help you improve your interview skills, supporting your professional goals.

Keep up with best practice

Members enjoy a 30% discount on all of our publications. Our practical guides are written by industry experts and peer reviewed by professionals with hands-on experience. You also have full access to our online Resource and Technical libraries.

Seaways

Our flagship monthly magazine keeps you informed of the latest industry developments, regulatory updates and features articles written by mariners for mariners.

Worldwide network

With more than 60 branches worldwide and members from at least 150 countries, you have access to workshops, seminars and networking opportunities at a regional and local level.

Be heard

Our expert delegates represent our members at key international fora, including the IMO and IALA, ensuring the voice of maritime professionals is heard whenever important decisions are taken.

Legal support

Our members enjoy exclusive cover for legal fees that provides peace of mind in difficult situations, wherever they are in the world.

MEMBERSHIP GRADES

We offer a range of membership grades to reflect your career stage, experience and qualifications (full eligibility details are available on our website).

Associate Member (AMNI)

- Studying on an approved maritime course
- Working in a rating role or non-management position ashore
- Experienced fishing vessel personnel with at least two years' service

Member (MNI)
