

Seaways

The International Journal of The Nautical Institute

Seaways is the international monthly journal of The Nautical Institute, the world's leading professional body for maritime professionals. Its purpose is to provide the most authoritative commentary on current maritime affairs and advance high professional standards.

Media information

Why advertise in Seaways?

The influential and respected *Seaways* is not just read by leaders and managers in the maritime industries worldwide – it is written by them.

Through *Seaways*, we provide a cutting-edge forum for issues of vital concern to maritime professionals and features articles on:

- Leadership and management
- Seamanship
- Training and professional development
- Safety and the environment
- Navigation
- New technology
- The Nautical Institute's Mariners' Alerting and Reporting Scheme (MARS).

Advertising in *Seaways* will associate your company with the highest standards of good practice and service. This is a cost-effective way to advertise recruitment, education and training provision and professional services.

Seaways readers

Our readers are maritime professionals, committed to education, training and continuous professional development. They need to:

- Stay ahead in this fast-moving sector
- Keep abreast of new product developments
- Keep vessels safe and efficient
- Meet latest requirements
- Know about new safety products and services.

7,200

Total circulation per month. Additional copies are distributed at seminars, conferences and exhibitions, worldwide, throughout the year, including Norshipping and Crew Connect, Manila.

The readership

Seaways has a worldwide distribution of 6,923. Readership is estimated to be in excess of 27,000.

55% of readers are active seafarers, mostly Masters, pilots and naval officers, who have a major influence on purchasing decisions and the setting of standards.

25% are responsible for fleet management, work in senior positions in P&I clubs, law firms, national maritime administrations and classification societies or as consultants and surveyors.

15% are marine personnel managers, trainers, lecturers and educationalists.

55% of readers are active seafarers, mostly Masters, pilots and naval officers

44% of readers are Masters and pilots

40% senior management ashore

The Nautical Institute

The Nautical Institute is the world's leading professional body for maritime professionals. Its principal purpose is to promote high standards of knowledge, qualifications and competence both at sea and ashore.
